VCS has specialized team for providing inspection services during shutdowns for :

Refineries, Petrochemicals, Process Plants

Provision of Skilled Manpower

VCS has access to specialized database and also has its own pool of manpower resources and contact network through which experienced engineers are seconded to various projects globally for :

Refineries, Petrochemicals, Process Plants, Pipeline, Power, Infrastructure

Training

VCS currently has specialized training module for Welding, Vendor Inspection, Project Inspection.

Safety Studies

VCS offer :

HAZOP, HAZID, QRA, ERDMP

Saipem

TransCanada
In business to deliver

PETRONAS

EXXON
Mobil

Major Projects Handled

- Process Platform & Living quarters- 02 Nos.
- Well Head Platforms -24 Nos.
- More than 750 Kms of sub-sea pipelines
- Revamp & Topside Modification

Offshore

- More than 5000 Kms. of HSAW upto API 5L Gr.X-80 PSL2 (Max OD 48" Inch)
- More than 4000 Kms. of LSAW upto API 5L Gr.X-80 PSL2 (Max OD 56" Inch)
- More than 3500 Kms. of ERW upto API 5L Gr. X-70 PSL2 (Max OD 20" Inch)
- More than 450 Kms. of SMLS upto API 5CT P110 (Max OD 12" Inch)

Line pipes

- ARC for inspection during fabrication and supply inspection of submarines and warships.

Marine

- 8 projects for various refineries in India and Overseas involving more than 4000 Man-Days

Shutdown / Turn Around

- Total revamp of surface facilities Including GCP, CPP, GGS, ETP, Well Manifold and Pipeline etc.
- LPG Import Terminal with jetty pipeline, storage, blending and truck loading facilities and utility systems.
- Fertilizer plant of 1.3 MTPA Single stream, 2850 MTPD Ammonia Plant, 3850 MTPD Urea Plant and associated facilities.
- Annual Rate Contract of leading Refineries for procurement Inspection
- Compressor trains of 6 million cubic meter per day capacity
- Sulphur Recovery Unit
- Nitrogen Plant
- Processing unit

Surface Facilities

- More than 2000 Kms. of Gas pipeline of upto 48" and X-70 Grade
- More than 1250 Kms of Crude Oil/Product Pipelines
- City Gas Network of NCT, NCR, South Gujarat and Saurashtra.

Pipelines

- Corporate Green Building with more than 1.1 Million Square Feet.
- Sewage Treatment Plants.
- Residential and Commercial Buildings, Roads.
- Industrial Structure

Infrastructure

Safety is of paramount importance in all the services we render, VCS has logged over 1.50 million manhours without LTI.

VISION MISSION

Client Feedback

"I, On behalf of project department of GAIL (India) Limited congratulate VCS in ensuring timely completion for TPI Services for compressors and Vijaipur- Dadri Pipeline Project. We are confident that VCS will continue to excel in their performance in future also. With compliment for success."

..... Executive Director (Projects), GAIL (India) Limited

"Your team of inspection engineers were excellent and professional in their approach during inspections. I am especially impressed by Mr. Khan who was leader of the team. Thanks for the good work done.

Good reporting including the data on welding, production and summary of the test values status. Please keep the good work.

..... Sr. Principal Engineer (Materials, Welding and Corrosion)-GIE, Houston

"We are pleased with source inspection services VCS provided for the India job."

..... Project Manager, Air Products Inc., USA

"Our sincere thanks for the excellent performance by your team on the subject assignment."

..... Project Manager, GASCO, Abu Dhabi

"Best wishes to you and your Team who has contributed very well in our project works. The VCS personnel found to be very dedicated and eager to take-up the instructions in right earnest. We wish you all the Best for your performances."

..... General Manager - QA/QC, HPCL- Mittal Energy Limited

VISION

To be a research oriented co-operative. A world leader in Engineering and project consultancy services whose initiatives become benchmarks for the industry.

MISSION

To be the most preferred service provider in the sectors that we operate in, by delivering our services in the most professional, honest and transparent manner thereby gaining the appreciation, confidence and respect of our discerning clients.
